

THE EMPLOYMENT TRIBUNAL

Claimant Mrs D Ham

Respondent Surrey and Sussex Healthcare NHS Trust

JUDGMENT

The claimant's application dated 5 July 2018 for reconsideration of the remedy judgment sent to the parties on 21 June 2018 is refused.

REASONS

1. The contents of the application are an attempt to re-argue matters which had been agreed. The figures used by the tribunal to calculate the claimant's loss of earnings and pension loss were presented by the parties as agreed figures and it was not suggested by either of them that these were base figures to which other elements needed to be added. It cannot therefore be said that the tribunal erred in relying on those figures.
2. The respondent objects to the application and it is too late for the claimant to resile from the agreed position.
3. The contents of the reconsideration application do not disclose any arguable basis to reconsider the judgment.
