Provider Guidance Version 11

Action: For Information

Timing: Immediate

### **Background**

Effective from the date of this Live Running Memo, the Youth Engagement Fund (YEF) Provider Guidance v11 has been revised (attached).

### **Summary**

In addition to style and formatting changes, the following amendments have been made to the provider guidance:

- All paragraphs relating to improved attendance have been amended in line with [YEF Live Running Memo 1](#) (issued 23 June 2016);
- The evidence form for improved attendance outcomes has been amended in line with YEF Live Running Memo1 ([Annex 3: Mandatory evidence requirements: School improved attendance](#));
- Duplication has been minimised, where possible and, references to the Specification or relevant sections of the provider guidance have been inserted;
- Validation of the claims process and timeframe has been revised, and
- The production and use of Management Information (MI) has been changed.

This version of provider guidance will shortly be available on [GOV.UK](#).

Please ensure that you use the correct version of the guidance.
