 - (a) Name and address of importer:

APPLICATION ONLY NOT TO BE CERTIFIED

- (b) Premises of destination:
- (c) Import permit number (if applicable):
- (d) Countries visited with date over the past 2 years

Country Date

country Date

IV. Health Information

I, the undersigned, hereby certify that the animal(s) ${\color{red}\star}$ described overleaf meet the following requirements:

- (a) on (date), being not more than 48 hours prior to the proposed date of export, the animal(s)* was/were* examined and found to be free from clinical signs of infectious or contagious disease, including distemper, rabies and external parasites, and in my opinion, is/are* fit to travel;
- (b) the United Kingdom is officially free from rabies according to the rules of the World Organisation for Animal Health (OIE), Terrestrial Animal Health Code;
- (c) the cat/dog* has been vaccinated against rabies with an inactivated vaccine (of at least one international antigenic unit) when at least three months of age and not more than one year before export, except in case of booster vaccination which was administered within the validity of previous vaccination;

Date of vaccination*/booster*

Vaccination valid until

- (d) on (date), being not less than three months and not more than twenty four months prior to export, blood sample was taken from the cat/dog and sent to a government or government authorised laboratory, and subjected to a neutralizing antibody titration test for rabies in accordance with one of the methods described in the OIE Manual of Standards of diagnostic tests and vaccines, and found to have at least 0.5 IU/ml of antibody in its serum.
- * Delete as applicable

APPLICATION ONLY NOT TO BE CERTIFIED

V. This certificate is valid for 7 days from the date of signature.
