APPLICATION ONLY NOT TO BE CERTIFIED

IV. Health Information

I, the undersigned, hereby certify that:

- a) a declaration has been received from the owner/agent of the owner* stating that the animal(s)* described at paragraph I above has/have* been kept as pets and has/have* been continuously resident in the United Kingdom for the past 6 months immediately prior to export or since birth;
- b) on _____ (date), being not less than 4 days and not more than 14 days prior to the date of export, the said animal(s)* was/were treated with a product effective against **ectoparasites** in accordance with the manufacturer's instructions as detailed below:
- Active ingredient(s): _____ ;
- Dose rate: _____ ;
- c) on _____ (date), being within 48 hours prior to the date of export, I examined the said animal(s)* and found it/them* to be healthy, free from external parasites and clinical signs of infectious or contagious disease, including rabies, monkeypox and:
- (i) **in case of Guinea pigs, rodents and chinchillas:** lymphocytic choriomeningitis, Hanta virus infection, Sendai virus, tularaemia and yersiniosis;
- (ii) **in case of rabbits:** myxomatosis, tularaemia, rabbit haemorrhagic disease and yersiniosis;
- d) the United Kingdom is officially free of rabies according to Article 2.2.5.2 of the World Organisation for Animal Health (OIE), Terrestrial Animal Health Code;
- e) a written declaration has been received from the owner/agent of the owner* stating that the said animal(s)* will be transported in containers constructed in accordance with recognised International Air Transport Association (I.A.T.A.) standards.

* Delete as applicable

V. This certificate is valid for 7 days from the date of signature.
