APPLICATION ONLY

NOT TO BE CERTIFIED

IV. Health Information

I, the undersigned, hereby certify that the animal described overleaf meets the following requirements:

- a) on _____, date, being not more than 48 hours prior to the proposed date of export, the said cat was examined and found to be free from clinical signs of infectious or contagious disease including rabies and external parasites including stickfast fleas (*Echidnophaga* sp.) and ticks and in my opinion is fit to travel;
- b) a written declaration has been received from the owner/exporter* stating the said cat has been continuously resident in Great Britain during the past six months or since birth;
- c) a written declaration has been received from the owner/exporter* stating that the said cat has not been in contact with animals suffering from infectious or contagious disease, during the 30 days immediately prior to the date of export;
- d) a written declaration has been received from the owner/exporter* stating that the said cat has been neutered;
- e) on _____ (date), and on _____ (date) being at least 48 hours apart, and within 10 days of the proposed date of export, the said cat was treated with the following product containing praziquantel which is effective against tapeworms;
- Name of product: _____ Active ingredient: _____
- f) on _____ date, being within 10 days of export, the said cat was treated with the following product which is effective against roundworm, hookworm and whipworm;
- Name of product: _____ Active ingredient: _____
- g) on _____ date, being within 96 hours of export, the said cat was treated with the following product which is effective against external parasites;
- Name of product: _____ Active ingredient: _____
- h) on _____ date, being not less than 30 days and not more than 12 months prior to export, the said cat was vaccinated against feline calicivirus, feline panleucopaenia and feline rhinotracheitis;
- j) no case of rabies other than those due to European Bat Lyssavirus (EBL1 or EBL2) has occurred in Great Britain during the past 3 years.
