IV. HEALTH INFORMATION

- I, the undersigned, hereby certify that:
- a) the United Kingdom (UK) is recognised by the Office International des Epizooties (OIE) as a country free from foot and mouth disease (FMD)(without vaccination);
- b) the consignment described at I above, has oval marks which demonstrate that it is fit for human consumption and was produced in accordance with EU legislation in an establishment approved for intra community trade;
- the United Kingdom has a comprehensive programme in place to monitor radioactivity in food and the environment. The results demonstrates that even the most exposed members of the UK public received radiation doses from consumption of local food and exposure to environmental radioactivity (due to discharges and direct radiation) that were below the statutory EU annual dose limit to members of the public of 1 millisiewert per year from artificially-produced radionuclides as set in the Council Directive 96/29/Euratom of 13 May 1996.
