- (b) Identification marks on packaging:
  
  
  
  
- (c) Nature of packaging:
  
  
  
  
- (d) Quantity/weight:

**II Origin of products**

- (a) Name and address of the gelatin manufacturer:
  
  
  
  
  
  
  
  
  
  
- (b) Name and address of exporter:

Specific approval number(s):

**III Destination of products**

(a) The product will be despatched from Great Britain to:

(country and place of destination)

(b) Name and address of consignee

(c) Means of transportation

**IV Health Information**

I, the undersigned official veterinarian, certify that:

1. the establishment named at II(a) above is under official veterinary control and has in place a system of tracing of raw bovine material and product which guarantees the origin of the raw bovine material throughout the whole production chain;
2. on the basis of documentary proofs of origin and identification of raw bovine material and supervision of the manufacturing process I further certify that the product(s) described above was/were manufactured using raw bovine material which was obtained from animals which were slaughtered outside the European Union and countries where BSE has been reported to OIE, namely:  
and that the raw bovine material and final product(s) was/were kept separate from any materials from bovine animals slaughtered in the European Union and countries where BSE has been reported to OIE;
3. the product(s) was/were manufactured by a process which will ensure the destruction of the foot and mouth disease virus.
