I Identification of product(s)

- (a) Description of the products:

- (b) Type and number of packages:

- (c) Identification marks on packaging (e.g. lot/batch numbers):

- (d) Net weight of consignment:

- (e) Container number:

- (f) Seal number:

II Origin of products

- (a) Address of the petfood production plant:

(b) Approval number(s) of the petfood production plant:

(c) Name and address of exporter:

III Destination of products

(a) The product was despatched from Great Britain to:

(country and place of destination)

(b) Name and address of consignee:

(c) Means of transportation:

IV Health information

I, the undersigned, hereby certify that:

1. the petfood described above does not contain any material from bovine animals other than dairy products or mammalian meat meal, bone meal or meat and bone meal;
2. the raw animal material used in the manufacture of the petfood is low risk material obtained from healthy slaughtered animals, the meat from which has been passed as fit for human consumption;
3. in the case of petfood in hermetically sealed containers, the petfood has been heat treated to a Fo value of 3.000 or more; or
4. in the case of dried or semi-moist petfood:
 - (a) the animal material used in the manufacture of the petfood has been heat treated so as to achieve a temperature throughout its substance of at least 90°C;
 - (b) after processing, every precaution was taken to ensure that the consignment was not contaminated in any way prior to shipment;
 - (c) the petfood was packed in new containers;
 - (d) the production process has been tested, with satisfactory results, for the presence of salmonellae and enterobacteriaceae.
