**I Identification of product(s)**

(a) Description of the products:

(b) Animal species of origin:

(c) Type and number of packages:

(d) Identification marks on packaging (e.g. lot/batch numbers):

(e) Net weight of consignment:

**II Origin of products**

(a) Name and address of the manufacturing plant:

(b) Name and address of exporter:

**III Destination of products**

- (a) The product was despatched from GREAT BRITAIN :  
to:  
(country and place of destination)
- (b) Name and address of consignee:
- ♦(c) Means of transportation:

**IV Health information**

I, the undersigned, hereby certify that:

- 1. the product described at I(a) above does not contain any proteins derived from bovine animals (other than dairy proteins), caprine and ovine animals or any mammalian meat meal, bone meal or meat and bone meal;
- <sup>(1)</sup> 2. the product contains processed animal proteins derived from poultry and/or fish and/or non-ruminant blood, which were produced in a plant approved in accordance with European Council Directive 90/667/EEC.
- 3. in accordance with Council Decision 2000/766/EC, products containing processed animal protein (other than fishmeal and certain other specific material which meets certain specific criteria, in which case they may be fed to non-ruminants) cannot be fed to farmed animals which are kept, fattened or bred for the production of food;
- <sup>(2)</sup> 4. in the case of products containing dairy ingredients, the dried milk/milk products used in the manufacture of the product were subjected to a heat treatment equivalent to at least 72°C for 15 seconds, sufficient to produce a negative reaction to the phosphatase test and followed by a drying process;
- 5. the end product:
  - (a) has undergone all reasonable precautions to prevent contamination of the consignment subsequent to processing;
  - (b) was stored in enclosed storage; and
    - \*i. was packed in new packing material; OR
    - \*ii. in the case of dispatch as bulk transport, containers or any other means of transport were thoroughly cleaned and disinfected with an approved disinfectant before use.

\* delete as appropriate

- <sup>(1)</sup> delete if the product described at I above is not required under European Community law to be produced in a plant approved in accordance with Council Directive 90/667/EEC.
- <sup>(2)</sup> delete if the animal feedingstuffs do not contain any dairy ingredients.
