(country and place of destination)

b) Name and address of consignee:

c) Means of transportation:

IV. Health information

I, the undersigned, certify that the fresh meat described overleaf meets the following requirements:

- a) the said meat was derived from animals which were reared and slaughtered in the United Kingdom;
- b) the meat originated from, and was transported through, areas which are not under any official restrictions as a result of confirmation of foot and mouth disease and are thus free from the disease;
- c) the animals from which the meat was obtained were subjected to ante and post-mortem inspection under official veterinary supervision where no clinical evidence of notifiable infectious or contagious disease was noted;
- d) the animals were slaughtered and the meat prepared in an establishment approved for trade within the EU;
- e) the meat is oval marked to denote that it is acceptable for human consumption in the United Kingdom and the EU.
