Principles of the care leaver covenant

The Foreign and Commonwealth Office supports the key principles of the care leaver covenant, which are:

- that all parts of society have a responsibility to help care leavers to avoid poor outcomes and make a successful transition to adulthood; and
- that action to support care leavers should be in their best interests, promote their health and well-being and secure the best possible outcomes for them.

Demonstrating our commitment

The Foreign and Commonwealth Office will demonstrate its commitment to the care leaver covenant through the following actions:

- providing employment opportunities to care leavers, through participating in the Civil Service care leaver internship scheme.
