Principles of the care leaver covenant

The Department for Business, Energy and Industrial Strategy supports the key principles of the care leaver covenant, which are:

- That all parts of society have a responsibility to help care leavers to avoid poor outcomes and make a successful transition to adulthood; and
- That action to support care leavers should be in their best interests, promote their health and well-being and secure the best possible outcomes for them.

Demonstrating our commitment

The Department for Business, Energy and Industrial Strategy will demonstrate its commitment to the care leaver covenant through the following actions:

- providing employment opportunities to care leavers, through participating in the Civil Service care leaver internship scheme.
