

EMPLOYMENT TRIBUNALS

Claimant: Mr S Palakkathara Varghese

Respondent: ISS Mediclean Ltd t/a ISS Facility Services Healthcare

JUDGMENT

The Claimant's application dated 14 October 2018 for reconsideration of the judgment sent to the parties on 2 August 2018 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked, because the Claimant in his application is essentially rearguing his case and claims that the Tribunal erred in law in concluding that dismissal was within the band of reasonable responses.
