### Principles of the care leaver covenant

The Department for International Trade supports the key principles of the care leaver covenant, which are:

- That all parts of society have a responsibility to help care leavers to avoid poor outcomes and make a successful transition to adulthood; and
- That action to support care leavers should be in their best interests, promote their health and well-being and secure the best possible outcomes for them.

### Demonstrating our commitment

The Department for International Trade will demonstrate its commitment to the care leaver covenant through the following actions:

- offering employment opportunities to care leavers through participating in the Civil Service care leaver internship scheme.
