Re: S31 Grant Determination Letter for Children's Social Care Early Adopters Grant GR1000614.

This Determination is made between:

- (1) **The Secretary of State for Education** and
- (2) **The local authorities listed at Annex A**

Purpose of the Grant

The purpose of this grant is to provide support to local authorities in England towards expenditure lawfully incurred or to be incurred by them.

This grant is intended to support the projects these local authorities have requested to undertake, relating to the early adoption of the new local safeguarding and child death arrangements. They may, however, choose how to spend the money in order to best meet local need.

The purpose of the Early Adopters programme is to elicit learning from the local authorities involved in the programme and share the findings nationally, to assist others in planning for and implementing their own arrangements.

There are 17 Early Adopter who are undertaking a range of projects looking at different themes and issues related to the new arrangements, which will be beneficial for the wider sector.

Annex A provides details of payments being made to local authorities involved in innovation projects where funding was agreed by 16 October 2018.
