THIS IS TO CERTIFY

- 1. that a declaration has been received from the exporter of the consignment described on the attached certificate **NO: 18/2/** stating:
  - a) that the products may lawfully be sold in the United Kingdom;
  - \*b) that the products are fit for human consumption.
  
- 2. the United Kingdom has a comprehensive programme in place to monitor radioactivity in food and the environment. The results demonstrates that even the most exposed members of the UK public received radiation doses from consumption of local food and exposure to environmental radioactivity (due to discharges and direct radiation) that were below the statutory EU annual dose limit to members of the public of 1 millisievert per year from artificially-produced radionuclides as set in the Council Directive 96/29/Euratom of 13 May 1996.
