

EXPLANATORY MEMORANDUM TO

The INSPIRE (Amendment) (EU Exit) Regulations 2018 2018 No. [XXXX]

1. Introduction

- 1.1 This explanatory memorandum has been prepared by Defra and is laid before Parliament by Act.
- 1.2 This memorandum contains information for the Sifting Committees.

2. Purpose of the instrument

- 2.1 This instrument amends The INSPIRE Regulations 2009 (SI 2009/3157) which incorporated into UK law Directive 2007/2/EC of the European Parliament and of the Council. The directive established a European spatial data infrastructure (SDI) by requiring member states to operate national SDIs. The amendments are being made to enable the continued operability of the INSPIRE Regulations as retained EU law under the European Union (Withdrawal) Act 2018, following the UK's withdrawal from the European Union.
- 2.2 There are corrections to some provisions of the EU legislation relating to legislative functions which will be made in a subsequent statutory instrument.

Explanations

What did any relevant EU law do before exit day?

- 2.3 The INSPIRE Regulations 2009 require public authorities to make available under harmonised conditions spatial data falling under one of 34 data themes which were set out in the directive. The rationale for the directive is to improve environmental decision making at all levels of government.

Why is it being changed?

- 2.4 As retained EU law, the current Regulation would not be effective in UK law due to the deficiencies within the provisions of the Regulation, arising from the withdrawal of the United Kingdom from the European Union. The instrument makes amendments to the existing legislation described above to ensure the legislation is operable after Exit. The changes include amending references to the EU, EU institutions and EU administrative processes to UK equivalents and updating legal references to refer to relevant UK legislation. Requirements to report to the Commission on implementation, costs and benefits and on use of the SDI have also been amended to requirements on appropriate authorities to publish reports.

What will it now do?

- 2.5 Following the UK's withdrawal from the European Union the retained EU Regulation, as amended by this instrument, will continue to implement a spatial data infrastructure in the UK under harmonised conditions.

3. Matters of special interest to Parliament

Matters of special interest to the Sifting Committees

- 3.1 The instrument is being laid in draft for sifting pursuant to the European Union (Withdrawal) Act 2018.

Matters relevant to Standing Orders Nos. 83P and 83T of the Standing Orders of the House of Commons relating to Public Business (English Votes for English Laws)

- 3.2 As the instrument is subject to negative resolution procedure there are no matters relevant to Standing Orders Nos. 83P and 83T of the Standing Orders of the House of Commons relating to Public Business at this stage.

4. Extent and Territorial Application

- 4.1 The territorial extent of this instrument is the United Kingdom.
4.2 The territorial application of this instrument is the United Kingdom.

5. European Convention on Human Rights

- 5.1 As the instrument is subject to negative resolution procedure and does not amend primary legislation, no statement is required.

6. Legislative Context

- 6.1 On 23rd June 2016, a referendum on the United Kingdom's membership of the EU took place which concluded in a vote to leave the EU. The UK Government's intention is that the UK will cease to be a member state of the EU on 29th March 2019.
- 6.2 To ensure that the UK has a working statute book on the day it leaves the EU the Withdrawal Act incorporates EU law as it stands, into domestic law. It also creates temporary powers to make secondary legislation to correct laws that would otherwise no longer work appropriately once the UK has left the EU.
- 6.3 This SI amends UK Regulation SI 2009/3157 and the INSPIRE (Scotland) Regulations (SSI 440/2009). EU implementing rules that were directly applicable are incorporated into UK law. These implementing rules are Commission Regulation (EC) No. 1205/2008; Commission Decision 2009/442/EC; Commission Regulation (EC) 976/2009; Commission Regulation (EU) No. 1089/2010
- 6.4 Commission decision Commission Regulation (EU) No. 268/2010 is revoked.
- 6.5 Corrections to some provisions of the EU legislation relating to legislative functions which will be made in a subsequent statutory instrument.

7. Policy background

What is being done and why?

- 7.1 In order to allow the UK to continue to operate the spatial data infrastructure established by the INSPIRE Directive deficiencies in the INSPIRE Regulations 2009 and associated retained EU law that arise as a consequence of EU Exit are being corrected. This ensures legal operability of the INSPIRE Regulations 2009 and the retained EU law after EU Exit.

8. European Union (Withdrawal) Act/Withdrawal of the United Kingdom from the European Union

8.1 This instrument is being made using the power in section 8 of the European Union (Withdrawal) Act 2018 in order to address failures of retained EU law to operate effectively or other deficiencies arising from the withdrawal of the United Kingdom from the European Union. In accordance with the requirements of that Act the Minister has made the relevant statements as detailed in Part 2 of the Annex to this Explanatory Memorandum.

1. Sifting statement(s)

- 1.1 The Parliamentary Under Secretary of State for the Environment Food and Rural Affairs, Thérèse Coffey, has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view the INSPIRE (Amendment) (EU Exit) Regulations 2018 should be subject to annulment in pursuance of a resolution of either House of Parliament (i.e. the negative procedure)”.

2. This is the case because, as stated in paragraph 7.1 above, its purpose is to address deficiencies in the INSPIRE Regulations 2009 and associated retained EU law that arise as a consequence of EU Exit, and to ensure legal operability of the INSPIRE Regulations 2009 and that retained EU law after EU Exit.

- 3.2 This is the case because: this instrument only corrects deficiencies within the retained EU legislation as necessary to ensure the continued effect of the INSPIRE Regulations.

4. Good reasons

- 4.1 The Parliamentary Under Secretary of State for the Environment Food and Rural Affairs, Thérèse Coffey, has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view there are good reasons for the provisions in this instrument, and I have concluded they are a reasonable course of action”.

- 4.2 These are: this instrument, in line with section 8(1) of the European Union (Withdrawal) Act 2018, corrects deficiencies as necessary to ensure retained EU legislation operates efficiently after we leave the EU.

5. Equalities

“The INSPIRE (Amendment) (EU Exit) Regulations 2018 do not amend, repeal or revoke a provision or provisions in the Equality Act 2006 or the Equality Act 2010 or subordinate legislation made under those Acts.

5.2 The amendments made by the instrument do not raise any issues relevant to the public sector equality duty under section 149(1) Equality Act 2010 because they are minor and technical and do not alter the operation of the underlying schemes or impose any new liabilities or obligations on any relevant persons.

6. Explanations

6.1 The explanations statement has been made in section 2 of the main body of this explanatory memorandum.

7. Criminal offences

7.1 No criminal offences are created by the instrument.
