## What's on offer

If you're a public sector buyer, our software team can offer you a range of solutions and services to suit your organisation's needs and ensure great value.

### **agreements negotiated by us, for you**

we negotiate and manage a range of agreements with major software suppliers, giving you access to discounted pricing and special terms for your software licensing agreements

### **asset transfer**

we operate an asset transfer system that allows unused software to be distributed across the public sector, to save you time and money

### **free advice and guidance**

our team of skilled licensing and commercial experts are available to answer any questions you may have about software contracts, audits or licensing

### **best prices**

we manage our suppliers, so you can rest assured that you'll always have access to the best deals at the best prices
