2. On 13 December 2017, the Competition and Markets Authority (**CMA**) made an Initial Enforcement Order (**the IEO**), pursuant to section 72 of the Enterprise Act 2002 (**the Act**), for the purposes of preventing pre-emptive action.
3. On 16 April 2018, the Merger was referred by the CMA for a phase 2 investigation, pursuant to section 22 of the Act, to determine, pursuant to section 35 of the Act:
 - (a) whether a relevant merger situation has been created; and
 - (b) if so, whether the creation of that situation has resulted, or may be expected to result, in a substantial lessening of competition in any market or markets in the United Kingdom (**UK**) for goods or services.
4. On 8 May 2018, the CMA gave directions to JLA and Vanilla, pursuant to paragraph 10 of the IEO, to appoint a monitoring trustee to support any action or, as the case may be, any remedial action which may be required to maintain the Washstation business (as defined in the IEO) as a viable business, and to monitor compliance with the IEO.
5. On 8 May 2018, the CMA gave directions to JLA and Vanilla, pursuant to paragraph 10 of the IEO, to appoint a hold separate manager, to ensure that

the Washstation business operates as a viable and competitive business, separately from and independently of the JLA business, in accordance with paragraphs 4 and 5 of the IEO.

6. On 11 October 2018, the CMA published a report (**the Final Report**) concluding that:
 - (a) the completed acquisition by JLA of Washstation has resulted in the creation of a relevant merger situation;
 - (b) the creation of that situation has resulted, or may be expected to result, in a substantial lessening of competition (**SLC**) in the market for the supply of managed laundry services to higher education customers under vend share agreements in the UK;
 - (c) the CMA should take action to remedy the SLC and the adverse effects that may be expected to result from it;
 - (d) the divestiture of the business for the supply of managed laundry services to higher education customers under vend share agreements in the UK carried on by Washstation (**the Divestment Business**), in accordance with paragraphs 10.65 to 10.78 of the Final Report, is an effective and proportionate remedy to the SLC and the resulting adverse effects the CMA has found; and
 - (e) undertakings should be given to the CMA or, where undertakings are not agreed, an order should be made to give effect to the remedy identified by the CMA in chapter 10 of the Final Report (**the Remedy**), namely, the divestiture of the Divestment Business.
7. The CMA has reached agreement with JLA and Vanilla as to the terms of the Final Undertakings for the purpose of remedying, mitigating or preventing the SLC it has identified and the adverse effects that may be expected to result from it. The proposed undertakings are attached to this Notice.

Asset Maintenance Undertakings

23. Except with the prior written consent of the CMA (which, for the avoidance of doubt, includes any derogations already granted by the CMA under the IEO, which will remain applicable during the Specified period), JLA shall not, during the Specified Period, take any action which might impede the Final Disposal, including any action which might:
- (a) lead to the integration of the Divestment Package with any business controlled by JLA or Vanilla;

- (i) no business secrets, know-how, commercially-sensitive information, intellectual property or any other information of a confidential or proprietary nature relating to the Divestment Business shall pass, directly or indirectly, from the Divestment Business (or any of its employees, directors, agents or affiliates) to JLA (or any of its employees, directors,

agents or affiliates), except where strictly necessary in the ordinary course of business.

25. Notwithstanding the provisions of paragraphs 30 to 34, JLA will ensure that, subject to derogations granted to the IEO:

Thereafter, JLA will provide similar compliance statements to the CMA on a monthly basis until Final Disposal, with the first such monthly statement to be submitted to the CMA no later than one month from the first written statement.
28. JLA undertakes to notify the CMA when Final Disposal has taken place.
29. JLA undertakes to inform the CMA, without delay, of any developments of which it becomes aware that would risk the Final Disposal within the Divestment Period.

Procedure for consent and notification

30. JLA undertakes that any application by it for the CMA's consent or approval shall make full disclosure of every material fact and matter within its knowledge that it believes is relevant to the CMA's decision.
31. JLA recognises that where the CMA grants consent or approval on the basis of misleading or incomplete information and such information materially affects its consent or approval, the consent or approval is voidable at the election of the CMA.
32. In the event that JLA discovers that an application for consent or approval has been made without full disclosure to the CMA, in accordance with paragraph 30, JLA undertakes to:
 - (a) inform the CMA in writing, identifying the information that it omitted to include in the application for consent within two Working Days of becoming aware that the relevant information is misleading or incomplete; and
 - (b) at the same time or not later than two Working Days starting with the date on which it has informed the CMA of the omission in accordance with paragraph 32(a) above, provide to the CMA an application for consent that includes the missing information.
33. JLA shall use all reasonable endeavours to make each application or to procure that each application for consent or approval is made so that it is received by the CMA at least five Working Days, or such lesser period as the

CMA may allow, before the day on which the CMA's consent or approval is necessary to avoid a breach of these Final Undertakings.

34. The CMA will use all reasonable endeavours to grant or refuse any consent or approval within the five-Working-Day period referred to in paragraph 33 above. This provision is without prejudice to the CMA's duties under the Act.

JLA shall remunerate and reimburse the Monitoring Trustee for all reasonable costs properly incurred in accordance with the terms and conditions of the appointment and in such a way so as not to impede the Monitoring Trustee's independence or ability to effectively and properly carry out his or her functions.
37. The appointment of the Monitoring Trustee and his or her terms and conditions must be approved by the CMA. JLA must inform the CMA as soon as is reasonably practicable, and in any event by no later than two Working Days after the Commencement Date, of the identity of the Monitoring Trustee that it proposes to appoint and provide the CMA with draft terms and conditions of appointment. Once the Monitoring Trustee has been approved by the CMA and appointed by JLA, JLA must provide the CMA with a copy of the agreed terms and conditions of appointment.
38. The mandate shall provide that the Monitoring Trustee shall take such steps as he or she reasonably considers necessary to carry out his or her functions effectively, and that the Monitoring Trustee must comply with any reasonable requests made by the CMA for the purpose of carrying out his or her functions under these Final Undertakings.
- 42. The Monitoring Trustee's functions, as set out in this paragraph, are to monitor and review compliance with these Final Undertakings and progress towards Final Disposal, and shall, in particular, include:

43. The Monitoring Trustee will promptly inform the CMA of any material developments arising from the operation of his or her functions and will provide a written report to the CMA every two weeks, the first report to be submitted not later than two weeks from the Commencement Date.

Monitoring Trustee – duties and obligations of JLA

44. JLA and each of its subsidiaries and their employees, officers, directors, advisers and consultants must cooperate fully with the Monitoring Trustee, in particular by providing the Monitoring Trustee with all cooperation, assistance and information as the Monitoring Trustee may reasonably require in order to discharge his or her functions, including but not limited to:

(a) the provision of full and complete access to all personnel, books, records, documents, facilities and information of:

75. The provisions of paragraph 76 below shall apply only if:
 - (a) JLA fails to nominate persons in accordance with paragraph 71 above; or

JLA recognises and acknowledges that in the performance of the Trustee Obligation, the Divestment Trustee shall act solely on the instructions of the CMA and shall not be bound by any instruction of any of JLA. JLA undertakes that it shall not seek to create or vary the obligations and duties of the Divestment Trustee except with the CMA's prior written consent.

81. JLA undertakes to provide the Divestment Trustee with such cooperation, assistance and information relating to the Divestment Businesses as the Divestment Trustee may reasonably require in the discharge of the Trustee Obligation. 85. JLA undertakes that, at its expense, the Divestment Trustee may appoint advisers (in particular, for corporate finance or legal advice) if the Divestment Trustee reasonably considers the appointment of such advisers necessary or appropriate in the discharge of the Trustee Obligation, provided that any fees and other expenses incurred by the Divestment Trustee are reasonably incurred. 86. JLA undertakes to make no objection to the Final Disposal of any Divestment Package save on the grounds of either bad faith by the Divestment Trustee or failure of the Divestment Trustee to reasonably protect the legitimate financial and business interests of JLA, subject to the Trustee Obligation. Where JLA wishes to make an objection on the grounds of bad faith by the Divestment Trustee or failure of the Divestment Trustee reasonably to protect the legitimate financial and business interests of JLA, it shall submit to the CMA a notice setting out their objections within two Working Days from the day on which they became aware of the fact or facts giving rise to their objection.

89. If the Divestment Trustee is removed under paragraph 88 above, the Divestment Trustee may be required to continue in its post until a new Divestment Trustee is in place to whom the Divestment Trustee has effected a full handover of all relevant information. The new Divestment Trustee shall

be appointed in accordance with the procedure contained in paragraphs 70 to 76 above.

90. JLA recognises and acknowledges that, other than in accordance with paragraph 88 above, the Divestment Trustee shall cease to act as Divestment Trustee only after the CMA has discharged it from its duties at a time at which all the obligations with which the Divestment Trustee has been entrusted have been met.

Additional Undertakings to protect the divestment of the Divestment Package

91. JLA shall procure, so far as it has the power to do so and to the extent relevant, that all senior management who have been employed by the Divestment Business and who have or will be transferred to JLA and who have knowledge of the Divestment Business' operations and customer details sign non-disclosure agreements.

Variations to these Final Undertakings

94. The terms of these Final Undertakings may be varied with the prior written consent of the CMA in accordance with sections 82(2) and 82(5) of the Act.
95. Where a request for consent to vary these Final Undertakings is made to the CMA, the CMA will consider any such request in light of the Final Report and will respond in writing as soon as is reasonably practicable having regard to the nature of the request and to its statutory duties.
96. The consent of the CMA shall not be unreasonably withheld.

request, notification or other communication) shall invalidate any action taken in respect of these Final Undertakings, including any proceeding or judgment pursuant to these Final Undertakings.

Annex 1

Purchaser Approval Criteria

These Purchaser Approval Criteria are to be construed in a manner that is consistent with, and for the purpose of giving effect to, paragraph 10.123 of the Final Report.

1. Independence

At the time of the Final Disposal, the Approved Purchaser must have no significant connection (for example financial, ownership or management links)¹ to JLA that may compromise the purchaser's incentives to compete with JLA after divestiture.

2. Capability

The Approved Purchaser must have access to appropriate financial resources, expertise and assets to enable the divested business to be an effective competitor in the relevant market. This access should be sufficient to enable the relevant Divestment Package to continue to develop as an effective competitor in the relevant market. The Approved Purchaser must be able to demonstrate an ability to provide continuity of business.

3. Commitment to the relevant market

The Approved Purchaser must demonstrate to the satisfaction of the CMA that it has an appropriate business plan (including managerial capability, operational capability and technical capability or such other evidence as the CMA considers appropriate) to maintain and operate the relevant Divestment Package as a viable and active business in competition with JLA and other competitors in the relevant market so as to remedy the SLC and the adverse effects that may be expected to result from it.

4. Absence of competitive or regulatory concern

In considering whether to give consent to any Approved Agreement, the CMA shall consider whether the terms of the agreement (and any other agreements or arrangements ancillary or connected to the agreement) would give rise to a material risk that the sale of the Divestment Package would not remedy the relevant SLC and the adverse effects that may be expected to result from it. In addition, the CMA shall require that the divestiture of the relevant Divestment Package to the Approved

¹ This can include, for example, an equity interest, shared directors, reciprocal trading relationships or continuing financial assistance. [Merger Remedies: Competition Commission guidelines \(CC8\)](#), adopted by the CMA board, paragraphs 3.15 and 3.18.

Purchaser must not raise further competition or regulatory concerns in the relevant market.

Annex 2

3. Washstation machines that have been removed from customer sites (following contract losses) and are currently held in storage by JLA or are due to be returned to JLA to be held in storage.
4. Where the Approved Purchaser requires additional machines to fulfil the obligations of Washstation under agreed contracts at the time of Final Disposal or where the Approved Purchaser requires machines to be installed during any transitional period following Final Disposal, JLA must sell these machines to the Approved Purchaser on a basis which is consistent with that upon which machines were previously supplied to Washstation prior to the Merger. This should be included in any transitional services agreement and should only apply in respect of obligations that are due to be fulfilled before the end of any transitional services agreement (see paragraph 11).
5. All remaining assets associated with the Divestment Business (subject to confirmation by the Monitoring Trustee and Hold Separate Manager).
6. Technology and supporting contracts to facilitate machine availability monitoring and payment solutions as provided by Washstation at the date of the Merger and any necessary transitional services, for a period to be approved by the CMA, for technology and supporting contracts provided by Washstation following the Merger and up to Final Disposal (see paragraph 11).
7. Washstation bank accounts.
8. Washstation brand, trademark and domain name.
9. Washstation dedicated telephone helpline number.

10.
