EMPLOYMENT JUDGE Dimbylow (in the absence of the parties)

JUDGMENT OF THE EMPLOYMENT TRIBUNAL

Upon the claimant's application for reconsideration received on 19 October 2018, supplemented by further representations made on 22, 23, 28, 30 October, 1 and 7 November 2018, in relation to a judgment on made by the tribunal on 17 October 2018, which was sent to the claimant on 22 October 2018:

The application is refused.

REASONS

The application is refused because I conclude that there are no reasonable prospects of the original decision being varied or revoked. The grounds and facts advanced by the claimant do not reveal any procedural mishap, shortcoming or occurrence. The claimant wishes to reopen the discussion about the facts, and for me to come to a different conclusion on them. The matters the claimant raises are related more to an appeal rather than to an application for reconsideration. It is, therefore, just, fair and proportionate to refuse the application.
