

EMPLOYMENT TRIBUNALS

Claimant: Miss F Allman

Respondent: ROC&RYE LTD

JUDGMENT

The respondent's application dated 14 November 2018 for reconsideration of the judgment in respect of which reasons were sent to the parties on 31 October 2018 is refused.

REASONS

1. There is no reasonable prospect of the original decision being varied or revoked.
2. The Employment Tribunals Extension of Jurisdiction Order 1994 only allows the Tribunal to accept an Employer's contract claim where the claimant has made a breach of contract claim. There was no such claim here and so the Tribunal would not have had any jurisdiction to deal with the allegations of breach of contract raised by the respondent in the application for reconsideration.
3. The Tribunal considered the point raised by the respondent in an email as to the advance payments made to the claimant and rejected it for the reasons given.
