On 20 July 2018 I requested your clarification on what you meant by NISGS. By email on 31 July you kindly advised that the abbreviation means ‘Northern Ireland Security Guard Service’.

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOI Act).

Section 40(2) has been applied to the information provided herewith in order to protect personal information as governed by the Data Protection Act and to reduce the possible inadvertent disclosure of individual identities. Section 40 is an absolute exemption and

there is therefore no requirement to consider the public interest in making a decision to withhold the information.

Disclosure control is necessary when presenting any statistical or numeric information to safeguard the confidentiality of individuals, to protect commercially sensitive information, or where sharing the statistics may pose a threat to security.

Therefore the figures provided in this response have been rounded to the nearest 10, where “-” denotes zero, “~” denotes a number less than or equal to five. When rounding up to the nearest 10, numbers ending in a “5” have been rounded to the nearest multiple of 20 to prevent the systematic bias caused by always rounding numbers upwards. For example; a value of ‘25’ would be rounded down to ‘20’ and a value of ‘15’ would be rounded up to ‘20’.

The information requested is set out in Table A below:

TABLE A - IN-YEAR REWARD FOR 17/18*
