16 November 2018

### LCCC training course – 27 November 2018

The Low Carbon Contracts Company (LCCC) is launching a new training course aimed at introducing low carbon generators to the CfD scheme and LCCC (the CfD Counterparty).

Priority places, which are free, will be offered to prospective applicants, lenders and advisors to CfD projects that are considering applying to the next CfD allocation round on a first come, first served basis.

The first course will take place **in central London on 27 November between 10:00 and 16:00**. Additional course dates and alternative locations will be considered subject to demand.

The course will offer an end-to-end overview of the CfD process, including key considerations at the bidding stage.

### General Data Protection Regulation

This stakeholder bulletin is being circulated to people who have opted in to the Contract for Difference stakeholder contact list. We issue these stakeholder bulletins as a convenience to interested parties, however it is not in any way essential to be on this list to participate in major consultations or allocation rounds.

**Purpose & scope of this list:** This list is managed by the Department for Business, Energy and Industrial Strategy (BEIS) (and any successor departments) and will be used to inform interested parties of policy developments relevant to the Contract for Difference scheme for renewable energy projects (and any direct successor schemes). It is not used for any other purposes.

**To be removed from the circulation list:** Please send a blank e-mail with the subject 'opt out' (or, if the receiving e-mail you use is different to the one you send e-mail from, including that e-mail address in the subject of the e-mail) to [BEISContractsForDifference@beis.gov.uk](mailto:BEISContractsForDifference@beis.gov.uk).

**If you have received this indirectly and want to be added to this list:** Send a blank e-mail with the subject line 'opt in' to [BEISContractsForDifference@beis.gov.uk](mailto:BEISContractsForDifference@beis.gov.uk). You can withdraw your consent to opt in at any time. We will normally keep your address on the list until (a) you withdraw your consent to opt in, (b) the scheme closes without any successor, (c) we receive reports your e-mail address is no longer operational, or (d) you do not respond to a periodic request from us to reconfirm your desire to opt in.
