Dear [REDACTED],

Thank you for your email of 17 August 2018 requesting the following information:

"I'd like to request the name and company number of the vendor who supplies electronic health record software to the British Army. If there is more than one vendor, I'd like to request the name of all vendors. If one or more vendors' names can't be released, I'd like to request the names of the remaining ones. If the software is built 'in house' then I'd like to know if any subcontractors were used. Many thanks."

A search for the information has now been completed within the Ministry of Defence, and I can confirm that all the information in scope of your request is held. The information you have requested can be found below:
