

# **Environment Agency Permitting Decisions**

## **RSR Standard rules permits**

### **Record of decision**

We have decided to grant the permit specified below.

The permit number is EPR/RB3694DS/A001

The applicant is Island Gas Limited

The facility is located at Bletchingley Well Site 5. Tilburstow Hill Road, South Godstone, Surrey RH9 8LJ

The decision is effective from 13/12/2018

We consider in establishing the standard rules we have taken into account all relevant considerations and legal requirements and that the standard rules will ensure the appropriate level of protection of people and the environment and security of radioactive substances.

### **Reasons for our decision**

We are satisfied that the applicant is the person who will have control over the operation of the facility after the grant of the permit.

The applicant has confirmed that he is able to meet the standard rules. There is no known reason to consider that the applicant will not be able to comply with the standard rules.
