

EMPLOYMENT TRIBUNALS

Claimant: Mrs G Cole
Respondent: Elders' Voice

JUDGMENT

The claimant's application dated **17 October 2018** for reconsideration of the judgment orally delivered to the parties on **16 October 2018** and sent in writing on **6 November 2018**, is refused.

REASONS

1. There is no reasonable prospect of the original decision being varied or revoked, because there is a valid agreement reached pursuant to s.144(4)(a) of the Equality Act 2010, and the claimant is unable to state otherwise, the terms of which, the claimant had been familiar with and had not challenged at the material time; a time when she was legally represented. The tribunal can find no basis to go behind the agreement.
2. The submissions of the claimant had been fully addressed at the hearing and determined, which determinations are not affected by the claimant's current argument as to pre-hearing discussions had with the respondent on the day of the hearing.
