

EMPLOYMENT TRIBUNALS

Claimant: Ms. J Cameron

Respondent: Jocasta's Group Limited

JUDGMENT

The Claimant's application dated 27th July 2017 for Reconsideration of the Judgment sent to the parties on 15th July 2017 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked because the documentation referred to by the Claimant as evidencing an entitlement to a payment in lieu of accrued but untaken annual leave was documentation which was in the possession of the Claimant and was available at the Employment Tribunal hearing. The Claimant was invited to provide evidence relating to that part of her claim but confirmed that she was unable to do so.

It is not now in the interests of justice to revisit the matter and to allow the Claimant the opportunity to have a second bite of the cherry as a result of her oversight at the hearing of documentation that was available to her. There is an interest for both parties in the finality of litigation and it is not therefore in the interests of justice to revisit the matter.

For the reasons given above, the Claimant's application is rejected as not having any reasonable prospect of her successfully arguing that the Judgment made following the last hearing should be varied or revoked and for that reason the application for Reconsideration is refused.
