

The Consultation on proposals for changes to Gaming Machines and Social Responsibility Measures was considered by the South Staffordshire Districts Council at the Licensing and Regulatory Committee meeting on 18th January 2018. The responses submitted were debated and agreed by the Committee.

In relation to Question 16, and in support of Question 15, members are concerned about the position of South Staffordshire District Council on the western fringe of the West Midlands conurbation and the possibility of a future application for a Casino to serve the population of the West Midlands conurbation. The Licensing and Regulatory Committee would like to see greater powers of consultation on any Casino applications.
