

EMPLOYMENT TRIBUNALS

Claimant: Mr F Alanazi

Respondent: Jacobs Engineering Ltd in UK

JUDGMENT

The claims of discrimination on the grounds of religious belief and discrimination on the grounds of race are struck out.

REASONS

1. By a letter dated **3 January 2019** the Tribunal gave the Claimant an opportunity to make representations or to request a hearing, as to why the claims of discrimination on the grounds of religious belief and discrimination on the grounds of race should not be struck out because

- the claimant had not complied with the Order of the Tribunal dated **7 December 2018**

2. The claimant has failed to make representations in writing, or has failed to make any sufficient representations, why this should not be done or to request a hearing. The claims of discrimination on the grounds of religious belief and discrimination on the grounds of race are therefore struck out.
