Annex D : Simplified Declaration Data Sets

The following table identifies the requirements for completion of the appropriate boxes on a C1 customs declaration dependent on the individual declaration type.

Symbol	Symbols in the cells - Symbol description
A	Mandatory: data for which the UK has opted to mandate as always required
C	Optional for economic operators: data that economic operators may decide to supply
D	Dependant on Customs declaration scenario e.g. Procedure Code, Method of Payment etc.
X	Data element required at the item level of the declaration of goods. The information entered at the item level of goods is valid only for the items of goods concerned
Y	Data element required at the header level of the declaration of goods. The information entered at the header level is valid for all declared items of goods

SAD Box No.	D.E No.	Data Element (D.E) name	Symbol		Note
