

# EMPLOYMENT TRIBUNALS

**Claimant:** Brian Bradford  
**Respondent:** Harris Pye Fabrication Limited

## JUDGMENT

The claimant's application dated 3<sup>rd</sup> July 2018 for reconsideration of the judgment sent to the parties on 16<sup>th</sup> June 2018 is refused.

## REASONS

There is no reasonable prospect of the original decision being varied or revoked, because the claimant has not put forward any reason why it would be in the interests of justice for the judgment to be varied or revoked.

The claimant has suggested it would be in the interests of justice for the bundle of documents to be made publicly available on the internet; a copy of the bundle of documents was available at the back of the room throughout the hearing, had any member of the public wanted to read it. The tribunal does not have any facility for publishing the bundle of documents online; only Judgments are published online.
