

EMPLOYMENT TRIBUNALS

Claimant: Mr D Smith

Respondent: (1) Cleveland Fire Brigade
(2) The Home Office

JUDGMENT

The terms and conditions element of the claim is struck out.

REASONS

1. By a letter dated 27 November 2017 the Tribunal gave the claimant an opportunity to make representations or to request a hearing, as to why the terms and conditions element of the claim should not be struck out because;

- It has not been actively pursued.
- Failure to respond to an order of the Tribunal.

2. The claimant has failed to make representations in writing, or has failed to make any sufficient representations, why this should not be done or to request a hearing. The terms and conditions element of the claim is therefore struck out.

3. The claimant's remaining pension claim continues and is not affected by this Judgment.
