

EMPLOYMENT TRIBUNALS

Claimant: Mr O Ogunjimi

Respondents: Dr Tania Syed

JUDGMENT ON RECONSIDERATION

Having reconsidered the matter of my own volition following an email from the respondent's solicitors, I now revoke my judgment sent to the parties on 1 February 2019. That judgment dismissed the claim on withdrawal, but in fact the claim had already been dismissed by Employment Judge Whittaker in October 2018. The error arose because the Tribunal mistakenly acknowledged the withdrawal of this claim and another claim, when in fact the claimant was only withdrawing the latter. I apologise for any confusion caused.
