

# EMPLOYMENT TRIBUNALS

**Claimant:** Miss A Michalek

**Respondent:** Bupa Care Homes (HH Hull) Limited

## JUDGMENT

1. Upon the application of the claimant dated 11 January 2019 having considered any representation and having reviewed the file, Employment Judge Rogerson revokes the Judgment made dated 28 December 2018 dismissing the claim.
2. The claim is reinstated and a telephone preliminary hearing will be listed to make case management orders and to list the case for a hearing.

## REASONS

1. The claim was dismissed following the non-attendance at the hearing by both parties.
2. The parties were not aware of the listed hearing and the notice had not been sent to the correct address. It should have been sent to the claimant's representatives by email. It should have been sent to the respondent's legal representatives not to the respondent.
3. The claimant's claim had not been settled as had appeared to be the case.
4. It is in the interests of justice to revoke the Judgment made.
