

EMPLOYMENT TRIBUNALS

Claimant: X

Respondent: Commissioners for Her Majesty's Revenue and Customs

JUDGMENT

The claimant's application dated 22nd January 2019 for reconsideration of the judgment sent to the parties on 8th January 2019 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked, because:

1. the Claimant seeks to make additional submissions that she could and should have made when given the opportunity to make closing submissions at the hearing. It is not necessary in the interests of justice to allow a party to make such further submissions after a decision has been reached. To allow this would undermine the need for finality in litigation.
