

EMPLOYMENT TRIBUNALS

Claimant: Mr A Wilson

Respondent: NRS Healthcare Limited

Heard at: Nottingham **On:** Monday 18 February 2019

Before: Employment Judge Blackwell (sitting alone)

Representation

Claimant: Ms C Wilson, Solicitor

Respondent: Ms J Hale, Solicitor

RECONSIDERATION DECISION

This is a decision pursuant to an application made by the Respondents to reconsider a decision which was sent to the parties on 20 December 2018 in which I permitted a deposit to be accepted notwithstanding that it appeared to be one day out of time. The application was made on 24 December 2018 and was repeated in an agenda for a case management discussion which the Respondent's solicitors forwarded to the Tribunal on 13 February 2019. Unfortunately the original application of 24 December was not referred to me and it is pure coincidence that I am dealing with the case management discussion which will be dealt with in a separate document.

DECISION

The application of 24 December is refused because there is no reasonable prospect of the original decision being varied or revoked. That is because all of the matters referred to by the Respondent's solicitors in their application were before me at the time that I exercised my discretion to extend time pursuant to Rule 5 of Schedule 1 of the Employment Tribunals Constitution and Rules of Procedure Regulations 2013.
