

DECISIONS OF THE TRAFFIC COMMISSIONER FOR WALES

Michael McNeill – OG2016915

Goods Vehicles (Licensing of Operators) Act 1995 (“the Act”)

Decisions made in respect of an application for a restricted operator’s licence for one vehicle by Michael McNeill OG2016915

1. The applicant agrees that the following undertakings would be recorded on any licence granted:

- (1) rolling road brake tests will be conducted at least every other PMI;
- (2) the operator will ensure that all accounts will be undertaken by an accountant and VAT and other HMRC returns will be completed in good time;
- (3) PMIs will be no longer than 4 weekly;
- (4) the applicant will attend a DVSA new operator seminar or an operator licence awareness course if and when invited by the DVSA to do so; and,
- (5) the applicant will be an owner driver with no employees and no agency workers.

2. The application for an operator’s licence for one vehicle is granted.
