Software Recognition 2018/19 Self Assessment Trust Tax Return Online Filing

In order to obtain recognition for your 2018/19 Internet software and have your product(s) remain listed on the GOV.UK website please follow the instructions below:

- Submit one of your 'valid' 2018/19 Trust test files to VSIPS, you can use the test files from the 'Trust calculator' spreadsheet in the Technical Pack or alternatively one of your own. Send the successful XML file to the SDS Team.

- If your software supports the submission of attachments use the 'Attachment recognition' PDF documents published on the 'Self Assessment generic technical specifications (2018/19)' page within the Self Assessment Technical Pack.

- If your Software supports 'Amended' returns please also include the relevant attribute in the xml that you send us.

If you are not already listed on the GOV.UK page and would like to be included please contact Software Developers Support Team for more information
