Notes: 1. Nationality is held from 1 September 2006. Personnel who joined after this date are identified by their nationality on intake. Where nationality on intake is not held, personnel have been included if their nationality upon leaving the Armed Forces was Commonwealth or there is a previous recorded change of nationality from Commonwealth.

2. These statistics include people with non-UK Commonwealth nationalities who were recruited into the Regular Army from 1993 onwards.

The figures may include some people who were already resident in the UK when they joined the Army.

A large number of Commonwealth citizens were recruited into the Army during the early 2000s.

3. Nationality is held from April 2006.

4. The Commonwealth grouping includes all personnel with a nationality, as recorded on JPA, that is reported in the British Nationality Act 1981, SCHEDULE 3 (Countries Whose Citizens are Commonwealth Citizens), further information of which is available at

<http://www.legislation.gov.uk/ukpga/1981/61/schedule/3>. On the 12th November 2015, under the British Nationality (The Gambia) Order 2015, the Gambia was omitted from the Commonwealth. Figures relating to personnel with a nationality of Gambian are still included in the Commonwealth grouping.

UK Regulars are Full-time Service personnel, including Nursing Services, but excluding FTRS personnel, Gurkhas, mobilised Reservists, MPGS, LEP and NRPS.

Personnel transferring services are not included in these statistics

Those who have become British Citizens after joining the Armed Forces are included in these statistics

Figures have been rounded to the nearest 10 in line with disclosure control policy. Figures of 5 and below are represented by '~'.

Figures ending in 5 are rounded to the nearest 20 to avoid bias, 0 is represented by '-'

Totals and sub-totals have been rounded separately and so may not appear to be the sum of their parts

5. Personnel have been identified using Paid Rank as recorded on the Joint Personnel Administrative system
