Dear 

Your correspondence dated 18 September 2018 has been considered to be a request for information in accordance with the Freedom of Information Act 2000. You requested the following information:

Thanks for coming back to me on this. I am happy to receive RAC codes as this seems the most relevant cost code you hold.

On the IAR side, you said you hold IARs for each top level budget, but providing a combined one for the whole of the MoD would hit the cost limit. My request was to see if you could give me a list of top level budgets, so I can select the most appropriate budget and request that budget's IAR, which should bring the request within cost.

Let me know if you need anything else from me on this.

Please see the response below.

A list of the MOD's Resource Account Codes (RACs) can be found at Annex A.

Below is a list of the MOD's seven Lop Level Budgets (TBS).

Joint Forces Command
Defence Infrastructure Organisation
Head Office and Corporate Services (HOCS)
Air Command
Army Command
Navy Command
Defence Nuclear

Under Section 16 of the FOIA, public authorities are required to provide advice and assistance while processing FOI requests, and I have therefore included some additional information below that you may find useful.
