

# EMPLOYMENT TRIBUNALS

**Claimant:** Mrs S Sogbesan

**Respondent:** Addleshaw Goddard LLP

## JUDGMENT

1. The claim is struck out as it has no reasonable prospect of success.
2. The hearing on 26 March 2019 is vacated.

## REASONS

1. The Tribunal does not have jurisdiction for the reasons set out in the Tribunal's letter of 14 February 2019.
2. Nor does the Tribunal have the power to give an "honest opinion" of the merits of a claim where, for a reason which is not merely a "technical restriction", it has no jurisdiction.
