Authorized Amendment
Summary/Overview of the amendment to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.
The Regulated Community is reminded to check this amendment against any applicable AAMC, Waivers or Exemptions to ensure their ongoing validity.
The content of MADS has been reviewed. Elements considered to be Regulatory material are now published as RA 3500-3599. Following a 6-month period of grace maintaining MADS for the Regulated Community to adjust to the new regulations the content not considered to be Regulatory material will now be retained by the DIO and MADS withdrawn. MAA/RN/2018/08 is withdrawn to be updated by Regulatory Notice MAA/RN/2019/04 and MADS Issue 10 will be released to notify withdrawal.
