### Introductory note

#### **This introductory note does not form a part of the notice.**

The following notice gives notice of the surrender in part of an environmental permit.

The current permit covers three farms: New House Farm, Park Turn Farm and Hall Farm. David Davies & Company LLP (limited liability partnership) wish to surrender Hall Farm from this permit.

This site was planned to be used as a storage unit, holding poultry feed and disinfectants for the other poultry units, however the site has not been developed and remains untouched.

The management of the remaining two sites will remain unchanged.

Any changes made as a result of the part surrender are set out in the schedules.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
