

EMPLOYMENT TRIBUNALS

Claimant: Mr M Howlett

Respondent: British Telecommunications Plc

JUDGMENT

The claimant's application dated **14 February 2018** for reconsideration of the judgment sent to the parties on **12 February 2019** is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked, because the claimant, supported by his union representative, forcefully pursued the argument that he was unable to undertake any work for the respondent and that he would challenge any decision other than one which provided him with a medical retirement.
