On 1st April 2019

JUDGMENT

Under Rules 70-72 of the Employment Tribunal Rules of Procedure 2013, (the Rules) , on reconsideration of my Judgment of 1st March 2019, I vary it because it is necessary in the interests of justice to do so .The variation is to substitute for the figure £1357 the figure £ 950.

REASONS

The respondent applied for a reconsideration of a judgment made by me under Rule 21 . Both parties have consented in writing to this judgment on the basis they have agreed a sum less than that claimed in the claim form is the correct figure.
