

EMPLOYMENT TRIBUNALS

Claimant: Miss V Wilson
Respondent: Derwent Vehicles Limited

JUDGMENT

The Claimant's application for relief from sanction under Rule 38(2) of the Employment Tribunal Rules of Procedure 2013 is refused.

REASONS

The Claimant admits that she received the email which in fact contained the Unless Order.
She failed to respond by the due date 11th March 2019.
She has only provided a partial explanation for the nonattendance at the hearing on 22nd February 2019. (Order 3 of the Unless Order). She has still not responded at all to Order 6 or 7. This is despite being advised on 25th March 2019 that these requirements remained outstanding.
It is not therefore in the Interests of Justice to grant relief from sanction when the Orders have still not been complied even by the date of this decision.
