# Get help and support with your application and increase your chance of success.

Our Teacher Training Adviser service is free to use and will provide you with tailored support to maximise your chance of submitting a successful application. You will receive advice delivered by fully qualified, experienced teachers, to help you through all stages of your application. Your adviser is chosen specifically for you and will always tailor any information to meet your needs.

## **Your adviser will:**

- give you practical advice and guidance at each stage of your application, from writing your personal statement to preparing for interviews and skills tests
- help you arrange your school experience via our School Experience Programme
- provide information about any financial support you may be entitled to

Whatever support you need, your adviser will be just a phone call, text or email away.

## **Eligibility**

To be eligible for the service, you'll need to hold (or be predicted) a 2:2 degree or above and want to start training in September 2019.

Please note: All subjects (except PE) qualify for support. If you're a PE candidate, there's plenty of support from our expert agents via Freephone **0800 389 2500** or our online chat service.

Overseas candidates who qualify for support aren't automatically guaranteed to receive a bursary or scholarship. You can contact your chosen training provider(s) for details of bursary or scholarship eligibility or contact Student Finance England.

## **Register for a teacher training adviser**

To access the support of a Teacher Training Adviser, you can either contact us on Freephone **0800 389 2500** or arrange for us to call you after you have registered with the Get Into Teaching service. Search Get Into Teaching.

## **2020 candidates**

There's also support available if you want to start teacher training in 2020, with our Early Engagement Advisers. If you're a second-year undergraduate or looking to change career in the future, call us on Freephone **0800 389 2500** or register online, just search Get Into Teaching.
