

EMPLOYMENT TRIBUNALS

Claimant: Mr J Madigan

Respondent: GDPR Sentry Limited

HELD AT: Leeds

ON: 17 April 2019

BEFORE: Employment Judge Shulman

REPRESENTATION:

Claimant: In person

Respondent: Mr P Smith Director

JUDGMENT

1. The correct title of the Respondent is GDPR Sentry Limited.
2. By consent it is ordered that the Respondent shall pay the Claimant the sum of £1,200 within seven days of 17 April 2019 in respect of the claim for notice pay.

REASONS

1. This was a case where the Claimant was claiming one month's pay in lieu of notice and the Respondent was resisting it.
2. The Tribunal was shown correspondence but no evidence was given by the parties.
3. It was clear on a peripheral perusal of the correspondence that both sides would have to give evidence and that there would be a conflict on the evidence and a point of law involved.
4. In order to save the parties time, after twenty-five minutes the Tribunal suggested to the parties that a better way of disposing of this matter would be for the parties to effect a compromise.

5. The parties agreed and in a very short time reached agreement as set out in the judgment.
