

EMPLOYMENT TRIBUNALS

Claimant: Mr D Quarm

Respondent: The Commissioner of the police of The Metropolis

JUDGMENT

The claimant's further application dated **30 July 2018** for reconsideration of the judgment sent to the parties on **27 February 2018** is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked, because:

The Tribunal has considered the grounds for reconsideration set out by the Claimant in his applications dated 25 January and this second application on 30 July 2018. The Tribunal did not receive correspondence from the Claimant dated 9 March 2018. However, the Tribunal has now had the opportunity of reading and considering this document as it has been presented to the Tribunal with the recent application for reconsideration.

It is this Tribunal's judgment that the claim has no reasonable prospects of success.

The serious defects in the claim, noted in the original judgment and re-stated in the refusal of the application for reconsideration dated 25 January, remain.

The Tribunal confirms its judgment that the Claimant's claim is struck out on the grounds that it has no reasonable prospects of success and that the claim is totally without merit.
