OWN INITIATIVE JUDGMENT ON RECONSIDERATION

**MADE AT NORTH SHIELDS
EMPLOYMENT JUDGE GARNON**

ON 16 April 2019

JUDGMENT

On reconsideration I revoke the judgment I made on 26 November 2018

REASONS

On 29 March 2019 I sent to the parties an Order setting out my proposal to revoke my Judgment in the light of the Court of Appeal's decision. Neither party thinks it necessary but they do not object. In my view an Employment Tribunal judgment does not "disappear" automatically in these circumstances and the safer course is to issue this judgment
